HEAVY CASH DEMAND COPPER AND LEAD AISESSION OPENS HELPS WHEAT PRICE

Profit-Taking Fails Depressed Conditions Over- Both Metals Firm in the New Granting of Uniform Rates turned and the Cereal Holds Its Gain at Close.

CHICAGO, Aug. 12.—Decrease in the visible supply of wheat, together with a strong cash demand, brought about a late rally, overturning depressed conditions. The market was steady at the Silver in London.

close, from a shade to i@ic higher.

Attempts to accelerate the movement of wheat which is slowly getting in transit brought a sharp demand for elevators and shippers for arrivals and made the cash market exceptionally strong.

A decrease of 75,000 bushels in the vistile supply brought down the domestic in sight to 18,000 600 bushels compared with 47,000,000 last year Comparatively strong northwest markets helped to off set generally bearish conditions due to promise of enormous yields and favorable weather.

Primary receipts were large and cash sales aggregated 95,000 bushels. December ranged from 91% to 22% with last sales io io to higher at 32%.

Corn closed steady at nearly the top figures. Final prices for December were iolic higher at 54% office and No. 2 yellow was quoted at 77% office. December traveled between 54% and 54% while September ranged from 58% to 58%.

September oats dragged the maret although the net decrease was not large December closed it of higher at 32% condon 23%, the highest point, while final figures for September were iosed for the higher at 31%.

Firmness in the provisions market was

Sige. For September were image lower at 31gc.

Firmness in the provisions market was disturbed by packers sales when high spots were reached. The close averaged from 2ic to 5c higher than Saturday. October pork finishing unchanged at 317.001

ASSESSMENT NO. 12.

Johnny Gold Mining & Milling company, principal place of business Salt Lake City, Utah. Location of mine Stateline, Utah. Location of mine Stateline, Utah. Location of mine Stateline, Utah.

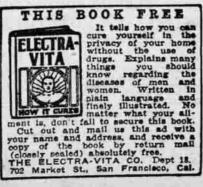

Notice is hereby given that at a meeting of the board of directors of the Johnny Gold Mining & Milling company, held on the 27th day of July, A. D. 1912, assessment No. 12 of five-eighth of a cent per share was levied upon the capital stock of the corporation, issued and outstanding, payable immediately to the secretary at his office, No. 309 South Main street, Salt Lake City, Utah.

Any stock upon which this assessment may remain unpaid on Friday, August 30, 1912, will be delinquent and advertised for sale at public auction, and unless payment is made before will be sold on Friday, September 20, 1912, at 5 o'clock p. m., at the secretary's office to pay the delinquent assessment thereon, together with the cost of advertising and expense of sale.

W. E. COULAM, Secretary.

First publication July 31, 1912.

THE UNITED STATES GOVERNMENT is about to inaugurate a plan for the improvement and upbreeding of the vast flocks of sheep belonging to the Indians living on the several Navajo Indian reservations in Arizona and New Mexico, by introducing into their flocks grade rams of not less than 5-blood of Cotswold, Rambeaulet and Persian-Cotswold types, and raised at an altitude of not less than 5000 feet. Persons having such animals for sale can procure specifications and full information by applying at once to either the commissioner of indian affairs, Washington, D. C., or the superintendents of the following schools, whose addresses, together with the approximate number of sheep required by each, are as follows: For Leupp school, Leupp, Arizona, 50 to 75 Cotswold and 50 to 75 Rambeaulet rams; for Navajo school, Fort Defiance, Arizona, 200 to 300 Cotswold and 100 to 150 Rambeaulet rams; for Navajo Springs, Colorado, 210 to 315 Cotswold ewes and 10 to 15 Cotswold rams; for Moqui school, Keams Canyon, Arizona, 50 to 75 Cotswold rams; for Pueblo Bonito school, Crownpoint, New Mexico, 50 to 75 Cotswold, 50 to 75 DeLane or Ramboaulet and 25 to 40 Persian-Cotswold (cross) rams, for Western Navajo school, Tuba, Arizona, 100 to 150 Cotswold rams. THE UNITED STATES GOVERNMENT

TRAFFIC OFFICIALS

in the State Is Being Considered.

A meeting of the traffic officials of the Salt Lake Route and the Denver & Ric Grande was held in the Hotel Utah yesterday afternoon and several matters of a routine nature considered. The meeting was not concluded and will be re sumed today. One of the most important things discussed yesterday was the granting of uniform rates from Salt Lake City to different parts of Utah. This is for the purpose of inducing those who come here to attend conventions to see somof the advantages of Utah outside of Salt Lake City.

There were present at the conference yesterday F. A. Wadleigh, general passenger agent for the Denver & Rio Grande; R. C. Hatton, rate clerk at Denver for the Denver & Rio Grande; W. M. Hunsberger, chief clerk in the local passenger office of the Donver & Rio Grande; T. C. Peck, general passenger agent for the Salt Lake Route. A. T. Lewis, chief clerk to Mr. Peck, and J. H. Manderfield, assistant general freight and passenger agent for the Salt Lake Route E. L. Lomax, passenger traffic manager of the Western Pacific, is expected to be present today to participate in the conference.

"I have just returned from several days spent in the Unitah country," said Mr. Wadleigh yesterday "That is a great country and I never realized how much there is of it before. I met with the other traffic men here more by chance than anything else and we are just having a little visit here." yesterday F. A. Wadleigh, general pas-

Condition of the Treasury.

WASHINGTON, Aug 12 -At the beginning of business today the condition of the United States treasury was:
Working belance in treasury offices, 2 57.53.315
Working belance in treasury offices, 2 57.53.315
In hanks and Philippine treasury 25.153.550
Total of the general fund was 151.534.302
Recepts yesterday were 2.209.55 rimal mines and A. L. Mohler, president Disbursements were 2.209.55 rimal lines and A. L. Mohler, president of the Union Pacific and the Oregon Short Surplus to date this fiscal year is \$1.37.323, at Line, at Pocatello, and these officials accompanied them to Island Park. It is probable that all of the officials will return to Salt Lake City the last of this week.

Another Ball Game

The members of the Commercial club, evidently having forgotten the defeat of ten days ago, have challenged the members of the Transportation club to another ball game. This challenge has been accepted and the game will be played in this city, probably in about a week.

Hogsett Enthusiastic.

Hogsett Enthusiastic.

Clyde Hogsett, traveling freight agent for the Missouri Pacific, who returned yesterday from a trip through southern Idaho, is enthusiastic about the Gem state. "They are putting in great improvements in the little towns in southern Idaho," said Mr. Hogsett yesterday. "In Welser, which has a population of about 4000 persons, there is going in this year a new sewer system, new waterworks and new paving, at a cost of about 525,000. The Heman company of Salt Lake City has the contract for putting in the new sewer there.

Graser in Town.

R. A. Graser, secretary of the American Shipping company with offices in Chicago and New York, was a visitor in Salt Lake City yesterday.

Dr. C. H. Ellsworth, dentist, 16 Baldwin St., Rochester, N. Y., says Foley Kidney Pills gave him immediate relief and strengthened him wonder-The weather ravors crops.

The weather throughout Utah during the past week has been the hottest of the year according to reports from practically every section of the state. There has been no damage by winds or storms and very little precipitation. The hot weather is said to be good for crops all over the state.

In the weather ravors crops.

fully. "I have been bothered with weak kidneys and bladder trouble and suffered much pain. Foley Kidney Pills gave me immediate relief and strength-need me wonderfully. I am pleased to recommend their use." Schramm-Johnover the state. fully. "I have been bothered with son, Drugs.

Clergyman's Son Had Tuberculosis-Now Well

Consumption is a flattering disease and the sufferer is filled with bright hopes of improvement. Call it by its own dread name—and then—take Eckman's Alterative, because it is effective in Tuberculosis. No one need doubt it—there is plenty of evidence from live witnesses. Investigate the following:—

"Gentlemen: Prior to Feb. 1998, I was suffering with LaGrippe which developed into Tuberculosis. My physician gave me one month to live. My father who is a clergyman, heard of Eckman's Alterative and induced me to take it. The night sweats and chills disappeared, my cough became easier and gradually diminished. I am now in perfect health, back to 155 ibs. I feel certain that I owe my life to Eckman's Alterative.

A D. 1812, at the hour of eleven (11) a. m. at Holliday ward house. Big Cuttonwood precinct. Sait Lake county, state of Utah, for the purpose of amending articles Nos. III. IV., VII., IX., XIII and XIV. It is proposed to amend said articles so that said articles shall read as follows. respectively to wit:

ARTICLE III

This corporation shall continue to exist for a period of seventy-five (75) years from date hereof, unless sooner dissolved.

ARGICLE III. Potentate; J. M. Marriott. III. Recorder.

This corporation shall continue to ex-ist for a period of seventy-five (75) years from date hereof, unless sooner dissolved and disincorporated, according to law.

one month to live My father who is a clergyman, heard of Eckman's Alterative and induced me to take it. The night sweats and chills disappeared, my cough became easier and gradually diminished I am now in perfect health, back to 155 lbs I feel certain that I owe my life to Eckman's Alterative."

(Signed) E. H. COWLES. "Gentlemen I cannot find words to expreas by appreciation of what your remedy has done for my son."

(Signed) REV. J. COWLES. Pastor Presbyterian Church. Eckman's Alterative is effective in Bronchills Asthma, Hay Fever; Throat and Lung Troubles, and in upbuilding the system. Does not contain poisons, oplates or habit-forming drugs. For sale by Schramm-Johnson, Drugs "The Never. Substitutors." Five (5) Good Stores, and other leading druggists. Ask for booklet teiling of recoveries and write to Eckman Laboratory, Philadelphia, Pa., for addition to carry on, maintain and operate and deliver to such stockholders as the officers and stockholders hereof may determine.

ARTICLE VII.

ARTICLE VII

ARTICLE VII.

The capital stock of this corporation shall be thirty-four thousand nine hundred (\$34,900) dollars divided into three hundred and forty-nine (249) shares, at the par value of one hundred (\$100) dollars per share, and the water, water rights, pipe line and other property of said corporation is accepted and received by this corporation in full payment of all the capital stock of this corporation ARTICLE IX. ARTICLE IX

To be eligible to the offices of director, president, vice president, secretary or treasurer, a person must be the owner, as shown by the books of the corporation, of at least five (5) shares of the capital stock of this corporation, provided that the water muster need not be a stocholder. ARTICLE VIII

vided that the water muster need not be a stocholder.

ARTICLE XIII.

Three of the directors shall constitute a quorum at all meetings of the board, to transact the business and exercise the corporate powers of the corporation. The outstanding capital stock of this corporation is assessable, and said board of directors shall have the power to levy and collect assessments of ten (10) per cent of the par value of said stock every six (8) months, but not oftener, on the outstanding capital stock of the corporation, for raising funds for the purpose of acquiring property and carrying on the business of this corporation, such assessments to be made in the manner provided by law. The directors shall not have authority to borrew amounts aggresating more than three thousand (\$2000) dollars at any one time without being authorized by the stockholders. Said directors shall not have power to sell any of the water rights of this corporation, unless authorized by a vote of two-thirds (2-3) of the cutstanding stock as shown by the books of this corporation.

ARTICLE XIV.

All moneys received from the distribution of said waters to the stockholders and other persons using said water and from all sources whatsoever, shall be the property of said corporation and the board of directors may from time to time pay to the stockholders dividends, said dividends to be paid upon the outstanding issued capital stock, as shown by the books of the corporation. In case any stockholder does not exercise his right to the use of any water during any year he shall have no claim against the corporation, even though the corporation when the corporation of such stockholders does not exercise his right to the use of any water during any year he shall have no claim against the corporation, even though the corporation by-laws and regulations will be presented for the acceptance and approval of the stockholders, and such other and further business as may properly come before the meeting.
